## CREDENTIAL REQUEST PROCESS

**If you are in your last quarter of your credential program and Cal Poly coursework is the only thing left to complete, it is time to request your credential.** To do this using the new California Commission on Teacher Credentialing online processing system, you must have an e-mail address and be able to use a credit card for payment. **PLEASE NOTE:** AOL and Netscape accounts block the CCTC emails from being sent to you. If you have one of these accounts please create a free HOTMAIL or YAHOO account. **WE WILL NOT RECOMMEND YOU IF YOU HAVE AN AOL OR NETSCAPE ACCOUNT.** Examination requirements, CPR Certification (if applicable) and coursework in progress at institutions other than Cal Poly must be completed prior to submitting the Credential Request. Initiating this process at the beginning of your last quarter of coursework will insure timely processing.

### The Process:

- **Complete the attached *Credential Request Form* and submit it to the College of Education, Student Information Center or mail to: Cal Poly College of Education, Bldg. 2 Room 120, San Luis Obispo, CA 93407-3189**
- **Include with your request the items specified in the appropriate checklist on the next page.** Note that there is no need to duplicate materials that have been previously submitted. (*Transcripts from institutions other than Cal Poly must be official; they have to be in sealed envelopes. Employment forms must have an appropriate signature. Exam and CPR documentation should be photocopied. For CPR, please provide a copy of the front and back of your signed CPR card, online CPR certification is not acceptable for recommendation of credential.*)
- **The Cal Poly College of Education, Student Information Center will check documents, verify eligibility and recommend for the credential.** Requests will be processed in the order in which they are received. Depending upon volume, it may take several weeks before your file is processed. (*Requests submitted with coursework in progress will be partially processed, then held. Incomplete Credential Requests will be held for 60 Calendar days, for any outstanding documentation, after that period of time it will be returned to the applicant. Processing will be completed at the end of the quarter when grades are posted.*) If additional documentation is required you will be informed by email.
- **Once the College of Education, Student Information Center has submitted the online recommendation (after you are completely finished) you will be notified by CCTC to complete the personal and professional fitness questions, and payment portions of the process.** Within a day or two the CCTC will send you an email with a payment confirmation number.
- **Providing there are no extenuating circumstances, you will receive confirmation that your credential has been issued. This will be followed by an additional e-mail which will provide the details of your credential. This final notice is the one you will use for employment. All notices, (4) will take place via e-mail.**
- **Any questions regarding this process please contact our office at (805) 756-2126**
